

Hazardous Terrain

swamp debris snags limited access difficult terrain rugged remote heavy fuels inaccessible steep terrain

Dry Weather

low rh red flag warning low relative moistures dry drought low humid red flag

Injury

injured injuries injury hospital transported

Innacurate Mapping

gps mapping

Law Violations

arson law investigating

Ecological Resources

national forest sensitive wilderness habitat species nf wildlife organic

Rain

precipitation shower rains rain precip snow inch rainfall

Resource Shortage

unstaffed lack of needs critical resource need shortage needed limited resources

Aerial Grounding

inversions hampered air inversion limit aircraft

Infrastructure

gas watershed transmission line power infrastructure

Thunderstorms

thunder thunderstorms lightning thunderstorm storms

Smoke

visibility smoke smoke interior smoke

Road Closures

highway closure closed hwy road road closure road remains closed

Military Base

afb military air force

Livestock

cattle livestock grazing ranch sheep farm

Wind

red flag warning strong winds wind red flag

Evacuations

evacuated evacuee evacuation

Command Transition

transition assume command took turned over transfer assumed command

Cultural Resources

recreation resort trail cultural tribal campground monument heritage
