

Hazardous Terrain

difficult terrain debris remote steep swamp rugged heavy fuels limited access inaccessible snags

Dry Weather

drought dry moistures red flag low rh low humid red flag warning low relative

Injury

injury injured injuries hospital transported

Inaccurate Mapping

mapping gps

Law Violations

arson investigating law

Ecological Resources

national forest wildlife organic wilderness species sensitive habitat nf

Rain

snow precip rainfall rain inch shower precipitation rains

Resource Shortage

needs critical resource limited resources needed understaffed shortage lack of need

Aerial Grounding

inversions limit aircraft inversion hampered air

Infrastructure

transmission line gas power watershed infrastructure

Thunderstorms

thunder thunderstorm thunderstorms lightning storms

Smoke

smoke interior smoke visibility smoke

Road Closures

closed highway road road remains closed road closure hwy closure

Military Base

air force afb military

Livestock

livestock grazing cattle sheep ranch farm grazing allotments

Wind

wind winds red flag warning

Evacuations

evacuee evacuated evacuation

Command Transition

transition assumed command took transfer turned over assume command

Cultural Resources

recreation resort campground trail cultural heritage tribal
